Dear Mayor Harkins:

We are pleased to inform you that Long Brook Park, located in Stratford, Connecticut was listed on the State Register of Historic Places by the Connecticut Historic Preservation Council on May 5, 2010.

The State Register of Historic Places is an honorary designation established by the General Statutes. Although the designation does not prevent a property owner from demolishing a structure, the State Register guides local officials, State agencies, and the general public in identifying historic properties.

It is my sincere hope that this designation will serve to encourage the protection of this important historic resource. We appreciate your concern for historic preservation. If you have any questions, or if this office can be of assistance, please call Stacey Vairo at 860-256-2766.

Sincerely,

David Bahlman, Division Director  
Deputy State Historic Preservation Officer
