

Moving your business to a new building in Stratford?
Following are some steps to consider:

1. Is the proposed use allowed? (Office of Planning & Zoning)
2. Are you changing the use? (Office of Planning & Zoning, Building Dept.)
3. Is the property in a flood zone? (Building Dept.)
 - a. If yes, are you improving the structure's value, inside or outside, by 50% or more?
4. Are there wetlands on the property? (Conservation Dept.)
5. Are there any Fire Marshal concerns? (Fire Marshal)
6. Are there any storm water/sewer concerns? (Engineering Dept .)
